## CHAMOMILE TEA

"The holidays have finally come to an end. The chilly weather is still upon us, so I have never been more ready to wrap myself in a cashmere blanket and sip on a freshly brewed chamomile tea to reset my mind and body. Winding down after all the celebrations is always a hard thing for me to do, so a warm cup in my hands calms and relaxes me. This timeless herbal tea fills my senses with sweet notes of jasmine petals and chamomile."
