## APPLE WOOD

"On a recent trip I explored the nature reserves tucked away amidst the city of Singapore. Walking the trails of the Windsor Nature Park, my senses were filled with deep mahogany wood, fresh mossy greens and sweet fruit from the various apple trees scattered along the lush tropical forest. I became lost for hours in the natural beauty of the world until I was standing high amongst the treetops. I took a deep breath and instantly felt a pureness I never wanted to forget. I was inspired to recreate the sweet apple wood aromas to enjoy the memories forever."
