CALMING WATERS

"Sailing the waters of Sri Lanka has always been a dream of mine. The calm, blue water and warm sunshine relax both my mind and spirit. A light breeze blows as I dip my toes in the water, taking in the breathtaking scenery. As we pull into a cove, I can smell the exotic notes of the water lotuses floating on the surface and imagine the cool taste of the fresh coconuts hanging above me. What a way to start the summer!"
